TL – Truckload

Shipments over 12,000 lbs or over 14 pallets will need to be scheduled 24 hours in advance. Please send the following information to purolator@texpressnc.com to schedule the pickup.

- the pickup address, the contact name and phone #
- the ready time to pick up, hours of operation
- pieces and weight
- any special requirements

You will receive a confirmation pick up # within 1 hour. If you do not receive a pick up #, please contact Purolator Traffic Department at any one of the numbers below.

Small Package Shipments

Shipments that are 150 LBS or less should be sent by FedEx, using account number 260195743. Do not enter a declared value. Purolator carries its own in-transit insurance which will cover this.

Billing

All shipments that are billed collect Purolator must show the 3rd Party bill to on the Bill of Lading as:

Mann+Hummel Purolator Filters
C/o Data2Logistics
PO Box 61050
Fort Myers, FL 33906

Please note that excess freight costs incurred due to an unauthorized deviation from this routing will charged back to your company.

These routing instructions apply only to standard shipments. Contact Purolator Traffic at the numbers below for expedited shipments that are to be paid for by Purolator.

Once implemented, please be advised that our transportation department will review the progress.

If you have any questions, please do not hesitate to contact us.
