

Purolator Installer Rewards Program

Box Top Submission Form

Redeem Your Points

To redeem your points, simply cut-off and save the box tops from every Purolator oil and air filter you install. Box tops can be sent in at any time and your points will accumulate on your account. Each box top is worth one point and there is no limit on the number of box tops that can be redeemed as long as program qualifications are met. Participants can login at any time to review prize options or the account status.

This program is open to professional installers of Purolator branded products only. Only clearly clearly branded, original product box tops used at the service professional level will be accepted. Purolator reserves the right to audit program participation or to cancel this program without penalty, notice or obligation. Allow 4-6 weeks for the delivery of your product(s).
