

Trust Purolator. Get Rewarded.

Installer Rewards Program

Program Overview

The Purolator Installer Rewards program acknowledges installers that trust Purolator products to protect the critical components of their customer's vehicles. To start earning reward points, simply cut-off and save the box top from every Purolator oil and air filter you install. Once you accumulate a supply of box tops, mail these proofs of purchase to our program redemption center. The points can be redeemed for electronics, sporting goods, tools, appliances and more – all from top brands.
